

## **Community Health Worker**

Coal Country Community Health Center is currently seeking a full time Community Health Worker to assist with care coordination to individuals and families in a home, office or other community care setting. The Community Health Worker (CHW) will assist the Community Care Coordinator (CCC) with facilitating referrals to other agencies and will work closely with the interdisciplinary team under the direction of the CCC and in collaboration with other agencies. The CHW will assist with clerical responsibilities such as organizing interdisciplinary Team (IDT) meetings and visits and maintaining pertinent data files on participants. The CHW will participate in home visits assisting the CCC with the collection of assessment data.

Qualifications include: Basic knowledge of health procedures and practices; Considerable knowledge of the basic principles and practices of care delivery and coordination; Ability to recognize the conditions and needs of the people and share the information with the CCC and/or IDT for corrective measures; Ability to communicate effectively verbally and in writing and the ability to establish and maintain effective working relations with the recipients of health care, other employees and the public. Certified Nurse Assistant or social work experience required.

To apply please send completed application and letter of application to Coal Country Community Health Center, Attn. Human Resources, 1312 Highway 49 N, Beulah, ND 58523. Applications may be downloaded from the company website at [www.coalcountryhealth.com](http://www.coalcountryhealth.com)
